“Tailored Education for Every Stage of Your Child’s Development”

Nurturing Growth, Learning, and Exploration

At Piaget Academy, we provide a wide range of programs carefully designed to meet the individual needs of children at every developmental stage. Each program is tailored to foster your child’s growth in a nurturing and stimulating environment.

Explore Our Programs

Infants (0-12 Months)

- **Description:** A vibrant and caring environment where infants are nurtured by highly qualified teachers.
- **Curriculum:** Using the High Reach Curriculum, we engage infants through multisensory activities that stimulate learning and cognitive functions, laying the foundation for future growth.
- **Focus Areas:** Sensory stimulation, emotional security, and foundational cognitive development.

Toddlers (12-24 Months)

- **Description:** Active learning through hands-on play in a supportive and lively environment.
- **Focus Areas:**
 - Language development.
 - Social skills.
 - Self-regulation and independence.
- **Activities:** Guided exploration, discovery, and group interactions to promote curiosity.

Preschool (2-4 Years)

- **Description:** Hands-on experiences, real-life adventures, and assisted discovery to foster creativity and a love for learning.
- **Approach:** Theme-based learning covering:
 - Early reading.
 - Math.
 - Science.
 - Social studies.
- **Benefits:** Builds creativity, critical thinking, and exploration skills through play.

Voluntary Prekindergarten (VPK)

- **Description:** Preparing students for kindergarten with a high-quality curriculum focused on language, cognitive, and early reading skills.
- **Curriculum:** Using the Houghton Mifflin Pre-K Curriculum, lessons are flexible and designed to meet the needs of every child.
- **Focus Areas:** School readiness, literacy development, and individual growth.

School Age (6-12 Years)

- **Description:** Before and after school care programs designed to support academic success and personal growth.
- **Activities:**
 - Homework assistance.
 - Character development.
 - Leadership skills.
- **Environment:** A safe and nurturing setting that promotes learning beyond the classroom.
